Employment History

Jul 2025 –  **Assistant Professor**, Department of Computer Science & Engineering, Ilahia College of Engineering and Technology

Education

- 2023 – 2025  **Post Graduation, KTU University:** M.Tech in Computer Science and Engineering
Project title: *Attendance Management System using Face and Speech Recognition.*
- 2018 – 2022  **Under Graduation, KTU University:** B.Tech in Computer Science and Engineering.
Project title: *Hiding data using efficient combination of RSA cryptography and compression steganography techniques.*

Research Publications

Journal Articles

-  1 M. I. Thaslima, “Attendance management system using face and speech recognition,” *International Research Journal of Modernization in Engineering Technology and Science*, vol. 7, no. 5, pp. 01–09, 2025.

Skills

- Languages  Strong reading, writing and speaking competencies for English and Malayalam
- Coding  C, c++, Python, Java SQL, \LaTeX
- Misc.  Academic research, teaching, \LaTeX typesetting and publishing, Academic Content Creator

Miscellaneous Experience

Awards and Achievements

2025  **First class with distinction**, M.Tech result from KTU University.

Certification / Affiliation

Jul 2024 – Oct 2024  **Certification (NPTEL):** Big Data Computing.

Seminars

2021  **Hiding data using efficient combination of RSA cryptography and compression steganography techniques**, presented at IIET, Nellikuzhi.

Miscellaneous Experience (continued)

Workshops

- Jan 2025  **FDP on TECH essentials:A practical journey into IT skills**, Ilahia College of Engineering and Technology.
- Jun 2025  **FDP on Research methodology and intellectual property rights**, Ilahia College of Engineering and Technology.
